Please note that students may be admitted with or without a Master's degree. The figures shown in the table present time to completion combined for all students, regardless of graduate coursework prior to admission. Students who have taken graduate coursework prior to admission can petition for course waivers of courses taken. There is no limit to the number of waivers we accept. Petitions for course waivers are evaluated to determine whether the courses are (a) fully equivalent, (b) partially equivalent, or (c) not equivalent. Students who are able to waive out of courses may lower their time to graduation, depending on the number of courses waived.
